The Borrow Centre, London Road
Cowplain, Hants PO8 8DB

Registered charity No 251915

Carruthers Suite (Main Hall)

The main hall is 13 x 9m and can accommodate 80 people theatre style, or seated as shown above.

It has a tiled floor, dim-able light system and access to a large well fitted kitchen, which is included in the hire price.

We can also make available a skittle alley and all the appropriate tables and chairs. The hall is currently used for a wide range of activities, like short mat bowls, lunch clubs and is a very versatile space.

Wolfson Suite (small room)

The Wolfson Suite is 9x5.5m and can accommodate up to 40 persons theatre style, or for a reception.

It has 16 comfortable chairs and 40 stacking chairs, plus a variety of small tables as required.

This hall has garden access and has an intimate 'feel' to it, making it especially good for receptions/anniversaries.

It is also adjacent to the well equipped kitchen.

Kitchen

Toilets

The centre is a modern building with suitable facilities, including a toilet for disabled people.

CAR PARKING

The centre has its own dedicated car park with 20 spaces, but there is plenty of additional room in the council car park just across the road, which is free at evenings and weekends.
